OPTIMIZED FOR COMFORT AND FLEXIBILITY:

◀◀◀

At Eurox, we understand that comfort is essential for productivity and safety in welding operations.

That's why our head protections are meticulously crafted to blend style with security. Our stylish range of safety helmets is approved to EN397 standards and comes in a variety of colors to suit your preferences.

COMPREHENSIVE PROTECTION FOR EVERY NEED:

▶▶▶

At Eurox, we're committed to pushing the boundaries of innovation in head protection.

We're constantly exploring new trends and opportunities to enhance our products, from developing helmet covers that allow users to express their personal style to incorporating advanced technologies like augmented reality and health monitoring features

SUPERIOR QUALITY, UNMATCHED DURABILITY:

Our products undergo rigorous testing to meet or exceed industry standards, guaranteeing reliability and peace of mind in the most challenging environments.

Eurox stands at the forefront of safety helmet innovation, offering a **comprehensive range of premium-quality safety helmets** tailored to meet the exacting demands of all industries.
With a steadfast commitment to excellence and safety, Eurox delivers unrivalled protection and performance everytime.

BACKED BY EXPERTISE AND INNOVATION:

In line with our commitment to sustainability, we're also exploring the use of biodegradable helmets made from sustainable materials, appealing to both environmental consciousness and consumer preferences
